PRELIMINARY AMENDMENT

Prior to examination, please amend the application as set forth below and consider the following remarks:

In the Specification:

On page 1, line 9, insert the following paragraph

--Sequence Listing

 The sequence listing is provided on the CD-ROM, supplied with concurrently with this application. The entirety of the contents of the CD-ROM are intended to be a part of the application, the electronic file "CURA-99.app", and is incorporated by reference.--

Please insert the sequence listing at the end of the specification.

REMARKS

In response to the Notice to File Missing Parts of Nonprovisional Application, Applicants submit herein replacement compact disc and computer readable form (CRF) copies of the "Sequence Listing". No new matter has been added. A statement that the content of the paper and computer readable copies are the same and include no new matter, in compliance with 38 C.F.R. §§ 1.821 –1.825 is also included. The specification has been amended to insert the sequence listing. The response is due on or before July 6, 2002.
